HARVEST STRATEGY

I. Harvest Strategy - Mission, Core Values, Vision, Goals, Principles (the Why, the What, the How - big picture)

II. Harvest Strategy - Roles (the Who) - This section needs developing

III. Harvest Strategy - Facilities (the Where) - This section needs developing

IV. Harvest Strategy Calendar/Plan (the What - details)

I. Harvest Strategy - Mission, Core Values, Vision, Goals, Principles

B. Ministry Core Values

Peace Lutheran Ministries is committed to:

1. Education - We are committed to the growth, maintenance, and continuation of our School and Early Childhood for lifelong growth in grace.
2. Outreach - We are committed to reaching the lost, and bringing them into the fold at Peace.
3. Worship - We are committed to having excellent worship practices, where the Gospel is proclaimed in Word and Sacraments.
4. Community - We are committed to developing a sense of community in Peace Lutheran Ministries that would include developing hospitality, an assimilation plan, and a thriving shepherding plan.

C. Harvest Strategy Mission Statement

As God's people at Peace, we will use the gifts He has given us (facilities, ministries, saints of God) to reach the many unchurched and de-churched of our community with the gospel.

D. Harvest Strategy Philosophy/Principles 7.29.25

1. We trust the Lord to create and sustain faith when and where He wills it as we use the means of grace which He has promised to use to create faith.
2. Therefore we want to bring people into contact with the means of grace.
3. We acknowledge the studies that indicate societal shift and the larger numbers of people who are not only unchurched but have never been church members means people have a higher regard for individual Christians they know and meet than for institutions.
4. We intentionally **connect** with the unchurched/dechurched to build relationships, show Christian love, concern, and hospitality, so that we might give them our why—the love of Christ!
5. We **actively** seek to learn people's stories, so that we might share with them God's Story and how He connects them to His eternal Story.

2

6. We use our corporate outreach efforts to **support the essential work of personal outreach.**
***** This will need instruction to help people understand can be as simple as come and see etc.**

E. Harvest Strategy Mission Goals

1. We commit to excellence in all we do. (Christ and souls loved by him deserve no less).
2. We commit to being warm and welcoming. (We who have been welcomed home as prodigal sons and daughters by our Father want to share that welcome!)
3. We deliberately build relationships.
4. We connect every family the Lord has brought to our ministries to the means of grace.

Peace Lutheran School Statement of Beliefs

Please read prior to meeting with the pastor.

Thank you for beginning the enrollment process for your son/daughter at Peace Lutheran School. We are pleased and privileged at the opportunity to serve your family. We are passionate about our students and thrilled to share the joy of Jesus with our students!

The mission of Peace Lutheran School is very spiritual in nature. We are a parochial school, not merely a private school. We are not a church that happens to also have a school attached, but we are a school. Therefore, while we offer an excellent education, our goal is to indoctrinate (in the best sense of the word) our students in what our church teaches, because it is what God teaches in His Word. This means your child will be thoroughly taught by our pastors and teachers that what our church believes is the faithful and correct Biblical teaching. At Peace Lutheran School, spiritual education is more than a class or a daily devotion. Lessons from God's Word are an integral part of every lesson we teach and do so that our students learn more about God's Word and grow in their faith in Christ.

To that end, we realize that you might not be familiar with who we are or the spiritual nature of what we will teach your son/daughter. Therefore, please read the following basic outline of what we at Peace Lutheran School and the Wisconsin Evangelical Lutheran Synod believe and teach. It is important that you have a clear understanding of how we will spiritually serve your son/daughter with the

Expectations...

By enrolling your son/daughter in our school, you understand that the aforementioned will be taught, and you are giving us permission to spiritually serve your son/daughter in this way. They are not to promote a viewpoint that contradicts what God's Word teaches.

It is also understood that your son/daughter is expected to worship with our campus family as we come together daily for chapel. How blessed we are to openly and boldly give thanks and praise to God as we worship him.

It is also understood that your son/daughter will abide by the Christian and moral standards as prescribed to us in God's Word and outlined in our most recent student handbook.

Again, we are so appreciative to be able to serve your family. We thank you for partnering with us as we carry out our mission to you—we are here to provide an exceptional education, preserve a Christ-focused school culture, promote spiritual growth and Christian service, and prepare life-long disciples of Jesus Christ. May God bless our partnership!

Please complete the below section after meeting with the pastor.

We have read this statement of beliefs and agree to abide by these expectations.
