

# Putting Christian Worship Foundations to Work

WELS NATIONAL CONFERENCE on WORSHIP, MUSIC, and the ARTS

July 31, 2024

Pastor Jon Zabell

Commissioned in connection with our hymnal project, *Christian Worship: Foundations* offers 19 chapters by eight WELS pastors on topics such as music, art, liturgy, creativity, and outreach. Special attention is given to discussing the features of our new hymnal's orders of service. This workshop will introduce participants to *Foundations* and offer resources for studying and discussing it in their local settings. In connection with this volume, Prof. James Tiefel writes: "I've now read *Foundations* twice, once quickly and once slowly. I am amazed again and again how excellent this book is! I wish I had owned it before I started teaching at the seminary!"

## Foreword

- Let the message of Christ dwell **among you richly... (Col. 3:16-17)**
- The whats, whys, and hows of worship
- Not just for pastors
- Theology of worship

Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him. (Colossians 3:16-17)

What / why / how – paschal candle: what? A large candle used in connection with a baptism font in a church chancel. The candle is lit on all the Sundays in the Easter season, and whenever there is a baptism or a funeral. Why? Because the candle is a symbol of the resurrection, the key connecting thought between Easter(Jesus lives) Baptism (I live with him), Funeral (I will not die but live). How? Determine where a paschal candle stand may fit in your chancel near the font – or if the font isn’t in the chancel, where else might it go – commission the creation of a stand for the candle that matches your other furnishings – purchase the candle itself, dedicate it, and explain its use to the congregation.

“When pastors, musicians, planners, and worshipers are all on the same page, striving for a common experience, the gospel will have free course and be proclaimed to the joy and edifying of Christ’s holy people” (Foundations, p.12).

Theology of Worship = worship based on scriptural principles.

## Companion Volumes

- Guidebook
- Musician's Manual**
- Our Worth To Him

*Guidebooks* is aimed primarily at pastors but lay leaders and church musicians and teachers in our schools may find helpful information.

Guidebook will be the practical extension of CW Foundations. Chapters in Guidebook will reference, summarize, and perhaps quote information from Foundations.

Guidebook cannot be the final word for practical applications. For example, Foundations provides a rationale and encouragement for worship education and Guidebook will provide creative ideas for a variety of educational ministries. Neither volume, however, can provide actual course notes and lesson plans. What Guidebook requires is an online compendium of various resources which supplement the two print volumes. Ed. James Tiefel

*Musician's Manual* is aimed primarily for church musicians and teachers in our schools but lay leaders and pastors may find helpful information. Ed. James Tiefel
